Reading is like a mighty ocean,
Full of uncharted corals and lively creatures.
Learning enthusiasts dive deep,
Driven by an insatiable thirst for knowledge,
Exploring the boundless depths.
Reading is like a nurturing mother,
Satisfying my curiosity and thirst for understanding.

Reading is like a gentle balm,
Full of harmony and serenity.
The weary soul finds solace in its embrace,
As scattered thoughts begin to settle.
A variety of stories tug at heartstrings,
Immersing us in joy and wonder.
Reading is a lifelong companion,
Accompanying me through every tide.
